

CONSTRUCTION NOTICE

City of San Diego – USIU MIRAMAR TRUNK SEWER

<p>Basile Construction Inc. is working in conjunction with the City of San Diego to replace the trunk sewer system on Pomerado Rd. from I-15 to Avenida Magnifica.</p>
--

This project will have a duration of approximately 13 months excluding holidays and weather conditions that may cause delays. **CONSTRUCTION START UP IS SCHEDULED ON OR ABOUT APRIL 11, 2011.**

JOB DESCRIPTION:

The USIU-Miramar Trunk Sewer (TS #55) provides for the construction and replacement of approximately 11,290 lineal feet of trunk sewer main ranging in diameter from 18 to 21 inches. The work also includes replacement of 213 lineal feet of smaller tributary sewers. Elements of the project also include jack & bore tunneling under Interstate 15 and Pomerado Rd, sewage bypass system(s) to maintain flow during construction, reconstruction of existing manholes, traffic control, resurfacing of roads within the limits of work, replacement of landscaping and revegetation.

IMPORTANT CONSTRUCTION INFORMATION:

Please note that residents and commuters within this construction zone will experience traffic delays, due to open trenches and heavy equipment within the area.

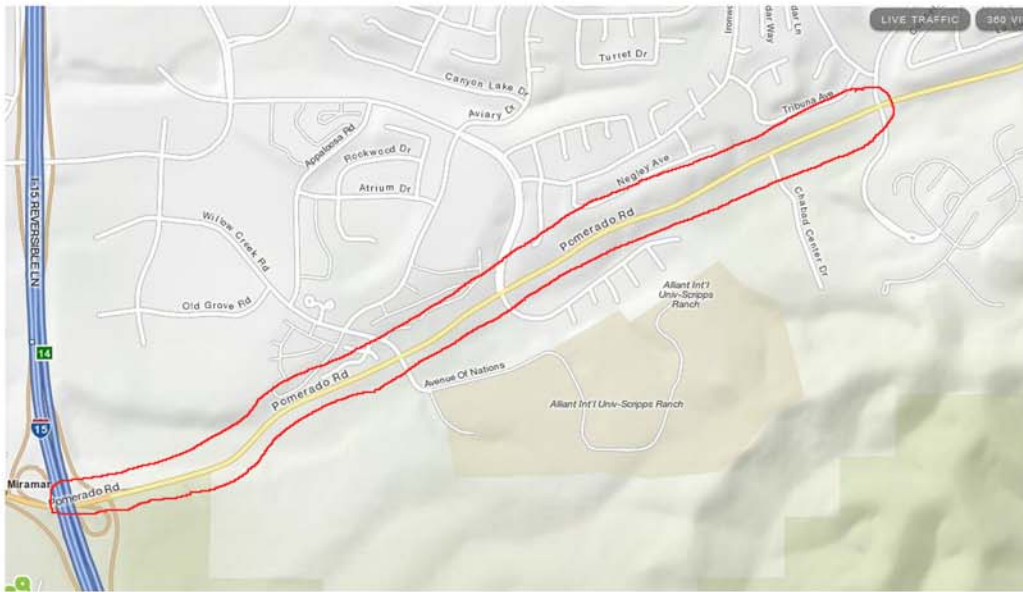

There will be multiple phases of lane closures, narrow lanes, and traffic flaggers. Stages of traffic control may be subject to change without notice due to unforeseen incidents that may occur.

Bike lanes will be detoured to the north of Pomerado Rd, within surface streets, away from the project as shown on the map on the back of this notice. All bicyclists are advised and required to follow bike route detour for safety to themselves, general public and construction crews. Traffic lanes WILL be narrowed down for vehicular traffic ONLY as required by the city's traffic division.

Basile Construction Inc. appreciates your cooperation during this project and apologizes for any inconvenience you may experience.

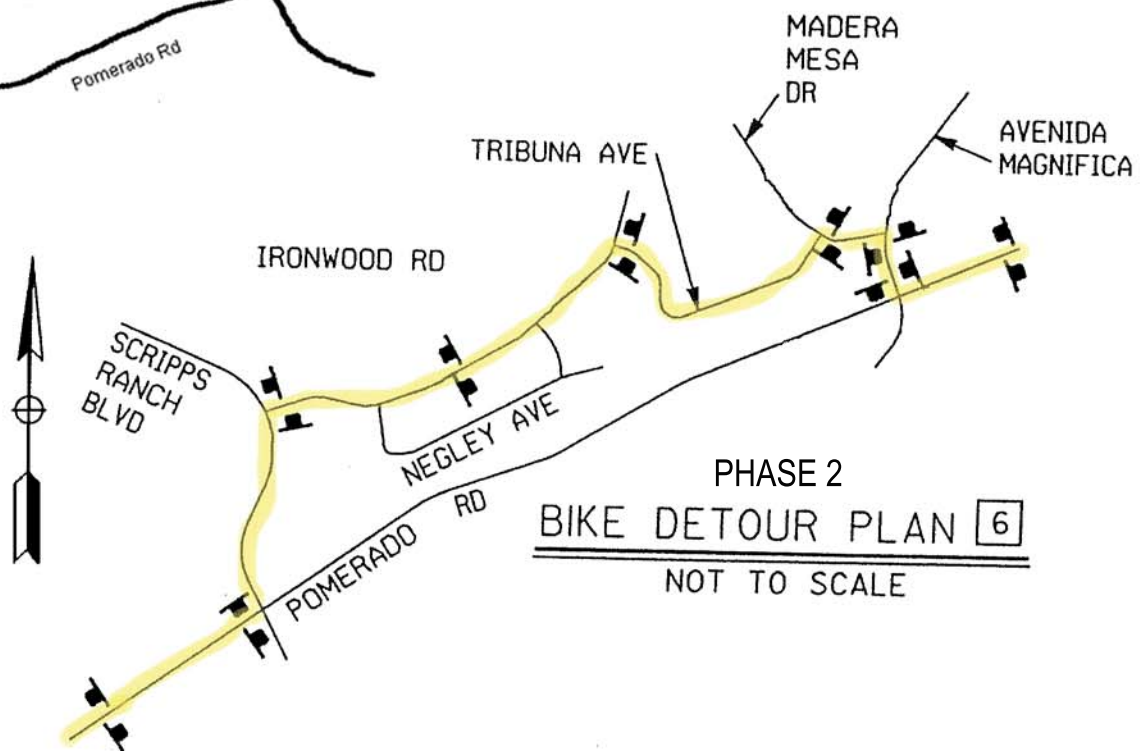

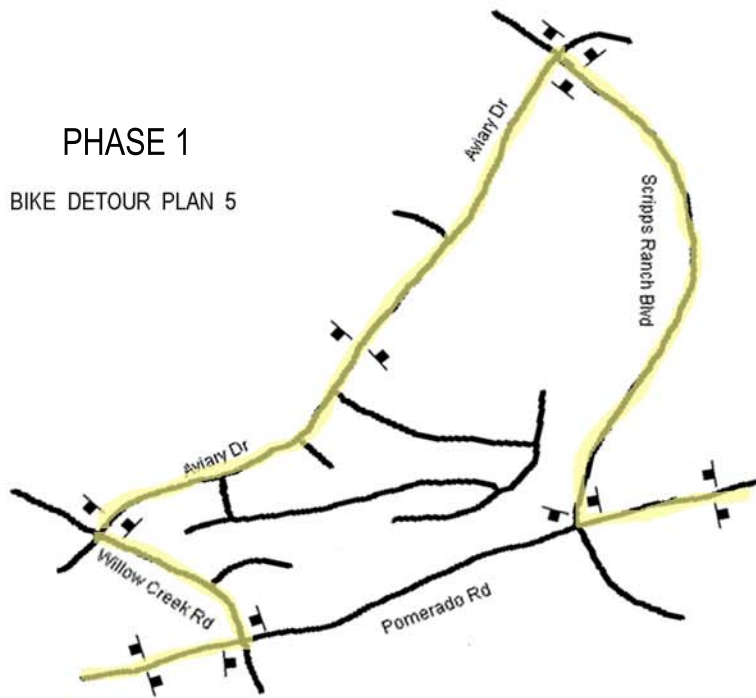

Our focus and commitment is to perform this work as safely and efficiently as possible. If you have any questions, please call.
